Reference is made to the announcements dated 26 January 2010 (the “**Joint Announcement**”), 25 February 2010 jointly issued by Zhongyu, China Gas and the Offeror, 23 March 2010, 6 May 2010, 4 June 2010, 22 June 2010 and 12 July 2010 issued by China Gas and the Offeror in relation to the Offers. Unless otherwise stated, capitalised terms used in this announcement shall have the same meanings as those defined in the Joint Announcement.

The board of directors of China Gas announces that 32,000,000 China Gas Shares were issued on 20 July 2010 pursuant to the exercise of share options of China Gas under its share option scheme. Accordingly, since the commencement of the Offer Period up to the date of this announcement, an aggregate of 54,600,000 China Gas Shares were issued and as at the date of this announcement, there are 3,413,236,151 China Gas Shares in issue.

In accordance with Rule 3.8 of the Takeovers Code, the Offeror and China Gas hereby remind their respective associates and parties acting in concert with them to disclose their dealings in any securities of China Gas. For this purpose, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

**“Responsibility of stockbrokers, banks and other intermediaries**

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 of the Takeovers Code and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant rules of the Takeovers Code. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7-day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediates are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediates will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
